

THE VISIT OF GOV. BRODIE.

Inspects the Normal School. Reception by Citizens of Flagstaff.

Governor A. O. Brodie, wife and little son, Sandy, arrived here Tuesday night and remained here until 10:35 Thursday morning. Their visit was one of business and pleasure. Wednesday afternoon the governor visited the Northern Arizona Normal school, together with the board of trustees and principal of that institution. He was well pleased with the conduct of the affairs of the school.

Wednesday night an informal reception was given Governor and Mrs. Brodie in the parlors of the Hotel Weatherford. There was an outpouring of the people of Flagstaff at the reception, and the cordial greeting of our citizens was heartily returned by Gov. Brodie and his charming wife, who, by their unassuming manners, won the admiration of our citizens. During the hours of the reception the A. L. & T. Co. brass band discoursed its sweetest music from the hotel balcony.

Gov. Brodie and wife spent Thursday in Williams, and was given a reception during the evening by the citizens of that enterprising town.

Gov. Brodie expects to spend some time here in the latter part of September. He is at present pressed for time, owing to the press of business in his office.

Not Over-Wise.

There is an old allegorical picture of a girl scared at a grasshopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglecting to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by W. H. Timerhoff.

The water in the town reservoir will be drawn off to-morrow and the reservoir cleaned. It will take about two days to complete the work, but there will be no interruption in the water service.

His Sight Threatened.

"While picnicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble of Sioux City, Ia. "He rubbed the poison off his hands into his eyes and for awhile we were afraid he would lose his sight. Finally a neighbor recommended De Witt's Witch Hazel Salve. The first application helped him, and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is sure cure. Relieves piles at once. Beware of counterfeits. W. H. Timerhoff.

BELLEMONT ITEMS.

Louis Yeager was in from the McDermid ranch Wednesday.

The timber treating plant will open for a six weeks' run in a few days.

Mrs. M. P. Watson, wife of the range rider, paid Flagstaff a visit Friday.

Joe Wilson, otherwise known as the "old boss," has given up the Pickler Cafe and moved to Flagstaff.

Miss Lulu Davis is visiting her brother, Charles. She will leave for Colorado Springs in a few days.

Agent C. C. Hull and family leave the latter part of the month for a six weeks' vacation in Kansas City and Chicago. They will visit the Grand Canyon before they depart.

Mr. F. A. Claus, the night operator at the depot, was called to Illinois Thursday by the serious illness of his wife. Mr. Claus has only been here six weeks and expected his wife to join him here soon. He was relieved by C. A. McAllister, an extra operator.

—PICKLE FACE.

A Necessary Precaution.

Don't neglect a cold. It is worse than unpleasant. It is dangerous. By using One Minute Cough Cure you can cure it at once. Allays inflammation, clears the head, soothes and strengthens the mucous membrane. Cures coughs, croup, throat and lung troubles. Acts immediately. Children like it. W. H. Timerhoff.

There has been placed on the great register the names of 804 voters. The registration in the county this year will probably reach the 1,500 mark.
